ORDER (A) AUTHORIZING AND APPROVING (I) THE ASSET PURCHASE AGREEMENT; (II) THE SALE OF THE DEBTOR'S ASSETS FREE AND CLEAR OF ALL LIENS, CLAIMS, ENCUMBRANCES, AND INTERESTS; AND (III) THE ASSUMPTION AND ASSIGNMENT OF CERTAIN EXECUTORY CONTRACTS AND UNEXPIRED LEASES; AND (B) GRANTING RELATED RELIEF
[This Order Relates to the Motion at Docket No. 240]

The motion (the "Motion")² filed November 28, 2017 [Doc. 240] of Eateries, Inc. ("Eateries"), debtor and debtor-in-possession ("Debtor") in the above-captioned case ("Debtor's

¹ The affiliated Debtors are Eateries, Inc. and GRP of Zanesville, LLC, Case No. 17-11445-SAH. Although there are multiple Debtors in this case the Motion and this Order are only for Eateries, Inc.

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement (as defined below) or, if not defined in the Asset Purchase Agreement, the Motion.

Chapter 11 Case”), requesting entry of an order (this “Sale Order”) (a) approving the Sale of the Purchased Assets (as defined in the Asset Purchase Agreement, dated August 9, 2017 (together with all ancillary documents, as may be amended, modified or supplemented, the “APA”)) free and clear of all liens, claims, encumbrances, and interests of any kind to the Purchaser; and (b) authorizing the assumption and assignment of certain executory contracts and unexpired leases (the “Assigned Contracts”) of the Debtor that are to be assumed and assigned to the Purchaser in connection with the Sale comes on for the Court’s consideration.

Upon the unopposed factual allegations in the Motion and the incorporated Sworn Statements therein; and all parties in interest having been heard or having had the opportunity to be heard regarding the APA; and it appearing that adequate and proper notice of the Motion has been given and that no other or further notice need be given as discussed herein; and there being no objections to the Sale Motion and upon the record of the Sale Hearing and all of the proceedings had before the Court; and the Court having found and determined that the relief sought in the Motion is in the best interests of the Debtor, its estate, its creditors and all other parties in interest; and that the legal and factual bases set forth in the Motion and the Sworn Statements establish just cause for the relief granted herein; and after due deliberation and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:³

A. Jurisdiction. The Court has jurisdiction to hear and determine the Motion and to grant the relief requested in the Motion pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(b).

³ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact to the fullest extent of the law. See Fed. R. Bankr. P. 7052.

B. Venue. Venue of Debtor's Chapter 11 Case and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

C. Statutory Predicates. The statutory and legal predicates for the relief requested in the Motion are §§ 105, 363, and 365 of title 11 of the United States Code (references hereinafter to 11 U.S.C. § 101 *et. seq.* as the "Bankruptcy Code"), and Rules 2002, 6004, 6006, 9006, 9007, and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").⁴

D. Notice. As reflected in the Certificate of Service filed on November 29, 2017 [Doc. 251], a full and complete copy of the Motion containing a notice of the Sale Hearing has been provided to the Amended Consolidated Matrix [Doc. 116] and to the Master Service List [Doc. 90], which includes: (i) counsel for the Office of the United States Trustee for this district (the "United States Trustee"); (ii) counsel for Fresh Capital, LLC, Practical Investors, LLC, and Fiesta Holdings, Inc. (collectively the "Purchaser"); (iii) all entities known by the Debtor to have filed a notice of appearance or a request for receipt of Chapter 11 notices and pleadings filed in the Debtor's Chapter 11 Case as of the date hereof⁵; (iv) all federal, state and local regulatory and taxing authorities and recording offices which have a known interest in the relief requested in the Motion; (v) all other parties on the Debtor's Master Service List; (vi) any entity known or reasonably believed to have asserted a security interest in or lien against any of the Purchased Assets (and their counsel, if known); (vii) all counterparties to any contract being assigned as set forth in the APA; and (viii) such other entities as may have been reasonably requested by the Purchaser (collectively, the "Notice Parties").

⁴ Unless otherwise indicated, all chapter and section references are to the Bankruptcy Code, 11 U.S.C. §§ 101-1532. "Rule" references are to the Federal Rules of Bankruptcy Procedure, and "Civil Rule" references are to the Federal Rules of Civil Procedure.

⁵ Parties in item (iii) also received electronic notice vis the Court's CM/ECF notice system.

E. Notice Sufficient. Based upon the Certificate of Service [Doc. 251] previously filed with the Court as discussed above, adequate and sufficient notice of the Motion and the transactions contemplated thereby, including without limitation, the assumption and assignment of any assigned contracts (the “Assigned Contracts”) to the Purchaser, has been provided in accordance with §§ 105(a), 363, and 365 and Rules 2002, 6004, 6006, and 9006. Such notice provided a reasonable opportunity to object and be heard with respect to the Sale, the Motion and the relief requested therein, including the assumption and assignment of the Assigned Contracts to the Purchaser and the amounts necessary under § 365(b) to cure defaults thereunder, as such amounts have been transmitted pursuant to a written notice delivered to the applicable counterparty including the Notice Parties. No pleadings responsive to the Motion have been filed.

F. Assets Property of the Estate. The Purchased Assets sought to be transferred and/or assigned by the Debtor to the Purchaser pursuant to the APA are property of the Debtor’s estate and title thereto is vested in the Debtor’s estate.

G. Sufficiency of Marketing. The Debtor and its professionals marketed the Purchased Assets and conducted the marketing and sale process as described in the Motion. Based upon the record of these proceedings, all creditors and other parties in interest and all prospective purchasers have been afforded a reasonable and fair opportunity to bid for the Purchased Assets.

H. APA. On August 9, 2017, the Debtor entered into the APA, subject to higher or better offers. Based on the facts and circumstances set forth in the Motion, the Court finds the terms of the APA are fair and reasonable.

I. Marketing. The marketing of the Assets as described in detail in the Motion as well as the notice to all parties of the Motion was substantively and procedurally fair to all parties and all potential bidders and afforded notice and a full, fair, and reasonable opportunity for any person to make a higher or otherwise better offer to purchase the Purchased Assets. The Debtor conducted the marketing of the Assets in accordance with the previously approved Bidding Procedures. The record reflects no other bids for the Assets have been filed.

J. Corporate Authority. Subject to the entry of this Sale Order, the Debtor: (i) has full power and authority to execute the APA and all other documents contemplated thereby; (ii) has all of the power and authority necessary to consummate the transactions contemplated by the APA (collectively, the “Transactions”); and (iii) has taken all company action necessary to authorize and approve the APA and the sale of the Purchased Assets, and any actions required to be performed by the Debtor in order to consummate the Transactions contemplated in the APA. No consents or approvals, other than those expressly provided for in the APA or this Sale Order, are required for the Debtor to consummate the Sale.

K. Arm’s-Length Sale and Purchaser’s Good Faith. The APA was negotiated and is undertaken by the Debtor and the Purchaser at arm’s length without collusion or fraud, and in good faith within the meaning of § 363(m). The Purchaser recognized that the Debtor was free to deal with any other party interested in acquiring the Purchased Assets and the Motion allowed for anyone to offer a higher price. The marketing process provided a full and fair opportunity to obtain a higher price for the Assets and no other offers were obtained from any other prospective buyer or party to this case. All payments to be made by the Purchaser and other agreements or arrangements entered into by the Purchaser in connection with the Sale have been disclosed. The Purchaser has not violated § 363(n) by any action or inaction. As a result of the foregoing, the

Purchaser is a “good faith purchaser” within the meaning of § 363(m) and otherwise has proceeded in good faith in all respects in connection with the Sale specifically and this Debtor’s Chapter 11 Case generally. As a good faith purchaser within the meaning of § 363(m), the Purchase is entitled to all of the protections afforded thereby, including in the event this Sale Order or any portion thereof is reversed or modified on appeal, and otherwise has proceeded in good faith in all respects in connection with the Sale specifically and this Debtor’s Chapter 11 Case generally.

L. Sale Highest or Best Offer. The total consideration provided by the Purchaser for the Purchased Assets as reflected in the APA is the highest and best offer for the Purchased Assets. No other person or entity or group of persons or entities has offered to purchase the Purchased Assets for an amount that would provide greater value to the Debtor than the Purchaser. The Court’s approval of the Motion, the APA, and the Transactions maximizes the Debtor’s recovery for the Purchased Assets, and, thus, is in the best interests of the Debtor and its estate, creditors and all other parties in interest.

M. No Fraudulent Transfer. The Purchase Price constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act and any other applicable law, and may not be avoided under § 363(n). The APA was not entered into, and the Sale is not being consummated, for the purpose of hindering, delaying, or defrauding creditors of the Debtor under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. Neither the Debtor nor the Purchaser has entered into the APA or is consummating the Sale with any fraudulent or otherwise improper purpose.

N. No Liability Under Section 363(n). Neither the Debtor nor the Purchaser engaged in any conduct that would cause or permit the APA or the consummation of the Sale to be voided, or costs or damages to be imposed, under § 363(n).

O. Transfer of Purchased Assets Free and Clear. The Debtor is the sole and lawful owner of the Purchased Assets. Subject to § 363(f), and except as otherwise provided in the APA, the transfer of each of the Purchased Assets to the Purchaser will be, as of the deadlines established by the APA (the “Closing Date”), a legal, valid, and effective transfer of the Purchased Assets, which transfer vests or will vest the Purchaser with all right, title, and interest of the Debtor to the Purchased Assets free and clear of all Interests accruing or arising any time prior to or on the Closing Date. The Effective Date of the Sale, however, shall be September 29, 2017. As used in this Order, the term “Interests” shall have the broadest meaning permissible under the Bankruptcy Code and applicable law and shall include, without limitation:

- (i) all liens and encumbrances covering the Purchased Assets;
- (ii) all equity interests in the Purchased Assets and/or the Debtor;
- (iii) all “claims” as defined in § 101(5) against the Purchased Assets and/or the Debtor and all debts arising under, relating to, or in connection with any act or omission of the Debtor and liabilities, obligations, demands, guaranties, options, rights, contractual commitments, restrictions, interests and matters of any kind and nature, whether arising prior to or subsequent to the commencement of the Debtor’s Chapter 11 Case, and whether imposed by agreement, understanding, statute, law, equity or otherwise (including, without limitation, rights and remedies with respect to claims, liens, encumbrances, and interests (x) that purport to give to any party rights of setoff or recoupment, rights or options to effect any forfeiture, modification, or restriction, profit sharing interests, rights and options of first refusal, rights and options to purchase or repurchase or terminate the Debtor’s or the Purchaser’s interests in the Purchased Assets, or any similar rights, or (y) in respect of taxes and charges of any kind or nature, if any, including, without limitation, any restriction on use, transfer, receipt of income or other exercise of any attributes of ownership), including claims and debts relating to any of the following:
 - (a) labor or employment agreements;

- (b) mortgages, deeds of trust, security interests, and liens;
- (c) intercompany loans and receivables between the Debtor and any non-Debtor affiliate;
- (d) pension, welfare, compensation, or other employee benefit plans, agreements, practices, and programs, including, without limitation, any pension plan of any Debtor, any affiliate of any Debtor, or any member of the Debtor's "control group";
- (e) employee, worker's compensation, occupational disease, or unemployment or temporary disability related claim that might otherwise arise under or pursuant to state, federal, or other applicable law.
- (f) environmental, health, and safety laws with respect to any assets owned or operated by Debtor or any corporate predecessor at any time prior to the Closing Date and any liabilities of the Debtor;
- (g) bulk sales or similar laws;
- (h) tax statutes or ordinances, including, without limitation, the Internal Revenue Code of 1986, as amended, and any taxes arising under or out of, in connection with, or in any way relating to the operation of the Purchased Assets prior to Closing, including excise taxes or stamp taxes assessed by any applicable taxing authority;
- (i) violations, or other non-compliance with any laws, regulations, standards, guidelines, enforcement orders, or any other authority or requirement enforced by, or under the supervision of, the Occupational Safety and Health Administration; and
- (j) any theories of successor liability or causes of action related thereto.

P. Free and Clear Findings Required by Purchaser. The Purchaser would not have entered into the APA and would not consummate the transactions contemplated thereby if the Sale of the Purchased Assets to the Purchaser were not free and clear from any and all Interests pursuant to § 363(f), or if the Purchaser or the Purchased Assets would, or in the future could, have liability for any of such Interests. Effective upon the Closing Date, the Purchaser and the Purchased Assets shall have no liability, *in rem* or *in personam*, for any Interests. A sale of the

Purchased Assets other than one free and clear of all Interests would yield substantially less value for the Debtor's estate, with less certainty, than the Sale as contemplated. Therefore, the Sale contemplated by the APA maximizes the Debtor's recovery on the Purchased Assets, and, thus, is in the best interests of the Debtor and its estate, creditors and all other parties in interest.

Q. Satisfaction of Section 363(f) Standards. The Debtor may sell the Purchased Assets free and clear of all Interests because, with respect to each creditor or other person or entity asserting an Interest, one or more of the standards set forth in § 363(f)(1)-(5) has been satisfied. Those holders of Interests who did not object (or who ultimately withdrew their objections, if any) to the Sale or the Motion are deemed to have consented to the Motion and Sale pursuant to § 363(f)(2). Those holders of Interests who did object fall within one or more of the other subsections of § 363(f).

R. No Successor Liability. The conveyance of the Purchased Assets does not amount to a consolidation, merger, or *de facto* merger of the Purchaser and the Debtor or the Debtor's estate. There is not substantial continuity between the Purchaser and the Debtor. There is no continuity of enterprise between the Debtor and the Purchaser. The Purchaser is not a mere continuation of the Debtor or the Debtor's estate. The Purchaser does not constitute a successor to the Debtor or the Debtor's estate. As set forth above in ¶¶ P and Q and below in ¶ 4, the Purchaser's acquisition of the Purchased Assets shall be free and clear of any Interest and the Purchaser shall have no *in personam* liability for any Interest under any theory of successor liability of any nature whatsoever. The Purchaser's operations shall not be deemed a continuation of the Debtor's business as a result of the acquisition of the Purchased Assets. The Purchaser would not have acquired the Purchased Assets but for the foregoing protections against potential claims based upon "successor liability" theories.

S. Assigned Contracts. Each and every provision of the Assigned Contracts or applicable non-bankruptcy law that purports to prohibit, restrict, or condition; or could be construed as prohibiting, restricting, or conditioning; assignment of any Assigned Contract has been satisfied or is otherwise unenforceable under § 365. All counterparties of the Assigned Contracts who did not or do not timely file an objection to the assumption and assignment of the Assigned Contracts to which they are counterparty are deemed to consent to the assumption by the Debtor of their respective Assigned Contracts and the assignment thereof to the Purchaser, and the Purchaser shall enjoy all of the rights and benefits under each such Assigned Contract as of the applicable date of assumption and assignment without the necessity of obtaining such non-debtor party's written consent to the assumption or assignment thereof. Upon the assignment and sale to the Purchaser, the Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Sale Order, and shall be assigned and transferred to the Purchaser, notwithstanding any provision in the Assigned Contracts prohibiting or otherwise restricting assignment or transfer. The Debtor has demonstrated that it is an exercise of its sound business judgment to assume and assign the Assigned Contracts to the Purchaser in connection with the consummation of the Sale of the Purchased Assets, and the assumption and assignment of the Assigned Contracts is in the best interests of the Debtor, its estate and creditors, and other parties in interest. The Assigned Contracts being assigned to the Purchaser are an integral part of the Sale of the Purchased Assets and, accordingly, their assumption and assignment are reasonable and an enhancement to the value of the Debtor's estate.

T. Cure/Adequate Assurance. Pursuant to the APA and the notices sent to the counterparties to the Assigned Contracts, the Purchaser has demonstrated adequate assurance of

future performance of all Assigned Contracts within the meaning of § 365, including its promise to perform the Debtor's obligations under the Assigned Contracts for periods on and after the Closing. The Cure Costs are deemed the amounts necessary to "cure" (within the meaning of § 365(b)(1)) all "defaults" (within the meaning of § 365(b)) under such Assigned Contracts. Any objections to the Cure Costs, to the extent not otherwise resolved, are hereby overruled. To the extent that any counterparty failed to timely object to its Cure Cost or to raise any other alleged default or breach of contract, such counterparty is deemed to have consented to such Cure Cost and to the assignment of its respective Assigned Contract(s) to the Purchaser and to have waived any other defaults or breaches. The Court finds that with respect to all such Assigned Contracts, the payment of the Cure Costs as provided in the APA is appropriate and is deemed to fully satisfy the Debtor's obligations under §§ 365(b) and 365(f). Accordingly, all of the requirements of §§ 365(b) and 365(f) have been satisfied for the assumption by the Debtor, and the assignment by the Debtor to the Purchaser, of each of the Assigned Contracts to be assumed and assigned to the Purchaser as of Closing. To the extent any Assigned Contract is not an executory contract within the meaning of § 365, it shall be transferred to the Purchaser in accordance with the terms of this Sale Order that are applicable to the Purchased Assets, and the Purchaser shall have no liability or obligation for any (a) defaults or breaches under such agreement that relate to acts or omissions that occurred in the period, or otherwise arose, prior to the date of the entry of this Sale Order, and (b) claims, counterclaims, offsets, or defenses (whether contractual or otherwise, including without limitation, any right of recoupment) with respect to such Assigned Contract, that relate to any acts or omissions that arose or occurred prior to the date of the entry of this Sale Order.

U. Assets Assignable. Each and every provision of the documents governing the Purchased Assets or applicable non-bankruptcy law that purports to prohibit, restrict, or condition; or could be construed as prohibiting, restricting, or conditioning; assignment of any of the Purchased Assets, if any, have been satisfied or are otherwise unenforceable under § 365.

V. Sale as Exercise of Business Judgment. Entry into and consummation of the APA constitutes the exercise of sound business judgments by the Debtor, and such acts are in the best interests of the Debtor, its estate and creditors, and all parties in interest. The Court finds that the Debtor has articulated good and sufficient business reasons justifying the Sale of the Purchased Assets to the Purchaser. Additionally: (i) the APA constitutes the highest and best offer for the Purchased Assets; (ii) the APA and the closing thereon presents the best opportunity to realize the maximum value of the Purchased Assets and avoid a decline and devaluation of the Purchased Assets; (iii) there is risk of deterioration of the value of the Purchased Assets if the Sale is not consummated promptly; and (iv) the APA and the closing thereon will provide a greater recovery for the Debtor's creditors than would be provided by any other presently available alternative. The Debtor has demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for the Sale prior to, and outside of, a plan of reorganization. Because the entry into and consummation of the APA constitutes the exercise of sound business judgment by the Debtor, the Debtor, its respective members, officers, directors, employees, advisors, professionals, and agents shall not have nor incur any liability to the estate or any holder of a Claim or Equity Interest for any act or omission in connection with, related to, or arising out of the negotiations of the APA or the consummation of the transactions contemplated thereunder, other than liability arising out of or relating to any act or omission that

constitutes a breach of the APA, willful misconduct, fraud, or gross negligence, in each case as determined by a court of competent jurisdiction.

W. Compelling Reasons for an Immediate Sale. Good and sufficient reasons for approval of the APA have been articulated by the Debtor. The Debtor has demonstrated compelling circumstances for the Sale outside: (a) the ordinary course of business, pursuant to § 363(b); and (b) a plan of reorganization, in that, among other things, the immediate consummation of the Sale to the Purchaser is necessary and appropriate to preserve and to maximize the value of the Debtor's estate. To maximize the value of the Purchased Assets and preserve the viability of the businesses to which the Purchased Assets relate, it is essential that the Sale occur promptly. Time is of the essence in consummating the Sale in order to preserve the value of the Purchased Assets.

X. Final Order. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Rules 6004(h) and 6006(d), the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order and expressly directs entry of judgment as set forth herein.

Y. Title to Purchased Assets. The Debtor's rights, title, and interests in, to, and under each of the Purchased Assets are not subject to cancellation or termination, and have not been adversely affected, as a result of any pre-Closing non-payment of royalties, working interest owners, taxes, or any other amounts.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

1. Motion Granted. The relief requested in the Motion is GRANTED and the Sale is approved, all as set forth in this Sale Order.

2. Objections. No objections to the relief sought in the Motion have been filed.

3. Approval. Pursuant to §§ 105, 363, and 365, the APA, the assumption and assignment of the Assigned Contracts to the Purchaser as of the Closing Date, and the Sale of the Purchased Assets and the other Transactions are hereby approved and the Debtor is hereby authorized and directed to consummate, and shall be deemed for all purposes to have consummated, the Sale, including the sale, transfer, and assignment of all of the Debtor's right, title, and interest in the Purchased Assets to the Purchaser free and clear of any and all Interests in accordance with the terms of the APA. Pursuant to §§ 105, 363, and 365, the Debtor and the Purchaser are each hereby authorized and directed to take any and all actions necessary or appropriate to: (a) consummate the Sale of the Purchased Assets to the Purchaser and the Closing of the Sale, the APA, and this Sale Order, (b) assume and assign the Assigned Contracts to be assumed and assigned to the Purchaser as of the Closing Date, and (c) perform, consummate, implement, and close fully the APA together with any and all additional instruments and documents that may be reasonably necessary or desirable to implement the APA. The Debtor is hereby authorized and directed to perform each of its respective covenants and undertakings as provided in the APA prior to or after the Closing of the Sale without further order of the Court. The Purchaser and the Debtor shall have no obligation to close the Sale except as is contemplated and provided for in the APA. The Purchaser shall not be required to seek or obtain relief from the automatic stay under § 362 to enforce any of its remedies under the APA or any other sale-related document. The automatic stay imposed by § 362 is modified solely to the extent necessary to implement the provisions of this Sale Order.

4. Transfer Free and Clear. Pursuant to §§ 105, 363, and 365, upon the Closing, the transfer is free and clear of any Interest. Neither the Purchaser, nor its respective successors and assigns, nor the Purchased Assets shall have any liability, *in rem* or *in personam*, for any Interest.

5. Surrender of Possession. Any and all Purchased Assets in the possession or control of any person or entity, including any vendor, supplier, or employee of the Debtor shall be transferred to the Purchaser free and clear of all Interests and shall be delivered to the Purchaser and deemed delivered at the time of Closing (or such other time as provided in the APA).

6. Valid Transfer. Effective upon the Closing, the transfer to the Purchaser of the Debtor's right, title, and interest in the Purchased Assets pursuant to the APA shall be, and hereby is deemed to be, a legal, valid, and effective transfer of the Debtor's right, title, and interest in the Purchased Assets, and vests with or will vest in the Purchaser all right, title, and interest of the Debtor in the Purchased Assets, free and clear of all Interests.

7. Exculpation and Release. None of the Purchaser, or its affiliates, successors, assigns, and advisors shall have or incur any liability to, or be subject to any action by the Debtor, its estate or any of their predecessors, successors, or assigns, arising out of the negotiation, investigation, preparation, execution, or delivery of the APA, and the entry into and consummation of the Sale. Because the entry into and consummation of the APA constitutes the exercise of sound business judgment by the Debtor, the Debtor, its respective members, officers, directors, employees, advisors, professionals, or agents, shall not have nor incur any liability to the estate or any holder of a Claim or Equity Interest for any act or omission in connection with, related to, or arising out of the negotiations of the APA or the consummation of the transactions contemplated thereunder, other than liability arising out of or relating to any act or omission that constitutes a breach of the APA, willful misconduct, fraud, or gross negligence, in each case as finally determined by a court of competent jurisdiction.

8. Good Faith Purchaser. The APA has been entered into by the Purchaser in good faith and the Purchaser is a good faith purchaser of the Purchased Assets as that term is used in § 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein of the Sale shall neither affect the validity of this Sale nor the transfer of the Purchased Assets to Purchaser free and clear of Interests, unless such authorization is duly stayed before the Closing pending such appeal. The Purchaser is entitled to all of the protections afforded by § 363(m) of the Bankruptcy Code.

9. No Bulk Sales. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated by the APA, the Motion, and this Sale Order.

10. Fair and Equivalent Value. The consideration provided by the Purchaser for the Purchased Assets under the APA shall be deemed for all purposes to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable law, and the Sale may not be avoided, or costs or damages imposed or awarded under § 363(n) or any other provision of the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, or any other similar state laws.

11. Right to Transfer and Receive Marketable Title. Upon the Closing, this Sale Order shall be construed and shall constitute for any and all purposes approval for Debtor to transfer and for the Purchaser to receive a full and complete general assignment, conveyance, and/or bill of sale to transfer of all of the Debtor's marketable right, title, and interest in the Purchased Assets to the Purchaser at the Closing pursuant to the terms of the APA, free and clear of all Interests.

12. No Successor Liability. The consummation of the Sale does not amount to a consolidation, merger, or *de facto* merger of the Purchaser and the Debtor or the Debtor's estate. There is not substantial continuity between the Purchaser and the Debtor. There is no continuity of enterprise between the Debtor and the Purchaser. The Purchaser is not a mere continuation of the Debtor or the Debtor's estate. The Purchaser does not constitute a successor to the Debtor or the Debtor's estate. Upon the Closing, the Purchaser's acquisition of the Purchased Assets shall be free and clear of any "successor liability" claims of any nature whatsoever, whether known or unknown and whether asserted or unasserted as of the time of the Closing. The Purchaser's operations shall not be deemed a continuation of the Debtor's business as a result of the acquisition of the Purchased Assets purchased.

13. Authorization to Assign. Notwithstanding any provision of any contract governing the Purchased Assets or any Assigned Contract to be assumed and assigned to the Purchaser as of the Closing Date pursuant to § 365(f) or applicable non-bankruptcy law that prohibits, restricts, or conditions the assignment of the Purchased Assets or the Assigned Contracts, the Debtor is authorized to (a) assign the Purchased Assets to the Purchaser and (b) assume and assign the Assigned Contracts to the Purchaser as of the Closing Date, in each case, which assignments shall take place on and be effective as of the Closing Date unless the Debtor and the Buyer shall mutually agree to an earlier date for the transaction to be made effective for accounting purposes so long as such date is on or after September 29, 2017, and before December 31, 2018, or as otherwise provided by a separate order of this Court.

a. There shall be no accelerations, assignment fees (other than general recording fees), increases, or any other fees charged to the Purchaser or the Debtor as a

result of the assumption and assignment of the Purchased Assets and the Assigned Contracts.

b. The Debtor has met all of the requirements of § 365(b) for each of the Assigned Contracts to be assumed and assigned to the Purchaser as of Closing. Notwithstanding the foregoing, unless required by the Purchaser under the APA, the Debtor shall not be required by the Court to assume and assign any Assigned Contracts, and, if no such assumption and assignment occurs, no Cure Costs shall be due and no adequate assurance of future performance shall be required.

c. The Debtor's assumption of the Assigned Contracts is subject to the consummation of the Sale of the Purchased Assets to the Purchaser. To the extent that an objection by a counterparty to any Assigned Contract, including an objection related to the applicable Cure Cost, is not resolved prior to the Closing, the Purchaser, may, without any further approval of the Court or notice to any party, elect to (i) not have the Debtor assume and assign such Assigned Contract to it, or (ii) have the Debtor postpone the assumption of such Assigned Contract until the resolution of such objection; provided that the Debtor, the Purchaser, and the relevant non-debtor counterparty under each Assigned Contract shall have authority to compromise, settle, or otherwise resolve any objections to proposed Cure Costs without further order of the Bankruptcy Court, with any such agreed upon Cure Costs being paid to the appropriate counterparty as a condition subsequent to such assumption and assignment of the relevant Assigned Contract.

14. Assigned Contracts. At the Closing, subject to the provisions of this Sale Order, the Purchaser shall succeed to the entirety of the Debtor's rights and obligations in the Assigned

Contracts to be assumed and assigned to the Purchaser first arising and attributable to the time period occurring on or after the Effective Date and shall have all rights thereunder.

a. Upon Closing, (i) all pre-Effective Date defaults (monetary and non-monetary) under the Assigned Contracts shall be deemed cured and satisfied in full through the payment of the Cure Costs, (ii) no other amounts will be owed by the Debtor, its estate, or the Purchaser with respect to amounts first arising or accruing during, or attributable or related to, the period prior to the Effective Date with respect to the Assigned Contracts, and (iii) any and all persons or entities shall be forever barred and estopped from asserting a claim against the Debtor, its estate, or the Purchaser or the Purchased Assets that any additional amounts are due or defaults exist under the Assigned Contracts that arose or accrued during, or relate to or are attributable to, the period before the Effective Date. The obligations pursuant to the terms of the APA to pay the Cure Costs and Purchaser's promise to perform the Debtor's obligations under the Assigned Contracts for the period on or after the Effective Date shall constitute adequate assurance of its future performance under the Assigned Contracts being assigned to it at the Closing within the meaning of §§ 365(b)(1)(C) and (f)(2)(B).

b. Upon assumption of those Assigned Contracts to be assumed by the Debtor and assigned to the Purchaser as of Closing, such Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Sale Order, and shall be assigned and transferred to the Purchaser, notwithstanding any provision in such Assigned Contracts or other restrictions prohibiting assignment or transfer. To the extent any executory contract or unexpired lease is assumed and assigned to the Purchaser under this Sale Order, such assumption

and assignment will not take effect until the Closing. Furthermore, other than Assigned Contracts, no other contract shall be deemed assumed by the Debtor and assigned to the Purchaser pursuant to section 365 of the Bankruptcy Code. The failure of the Debtor or the Purchaser to enforce at any time one or more terms or conditions of any Assigned Contract shall not be a waiver of such terms or conditions, or of the Debtor's and the Purchaser's rights to enforce every term and condition of such Assigned Contract.

c. Upon the reasonable request of the Purchaser, all counterparties to the Assigned Contracts to be assumed and assigned to Purchaser at the Closing shall cooperate and expeditiously execute and deliver; and shall not charge the Debtor or the Purchaser for; any instruments, applications, consents, or other documents which may be required or requested by any public or quasi-public authority or other party or entity to effectuate the applicable transfers in connection with the Transactions.

d. Notwithstanding the foregoing, in accordance with and pursuant to the terms and conditions of Section 1(k) of the APA, the Debtor may, at the Purchaser's sole discretion and direction, amend the list of Assigned Contracts to delete any such contract in which case such designated contract shall not be an Assigned Contract and shall be excluded from the Sale.

15. Governmental Authorization to Effectuate Sale and Assignments. Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby authorized to accept any and all documents and instruments in connection with or necessary to consummate the transactions contemplated by the APA. No governmental unit may revoke or suspend any lawful right, license, trademark, or other permission relating to the use of the Purchased Assets sold, transferred, or conveyed to the Purchaser on account of the filing or

pendency of Debtor's Chapter 11 Case or the consummation of the Transactions. For the avoidance of doubt, the Sale of the Purchased Assets authorized herein shall be of full force and effect, regardless of whether the Debtor or any of their affiliates lack good standing in any jurisdiction in which such entity is formed or is authorized to transact business.

16. Inconsistencies with Prior Orders, Pleadings, or Agreements. To the extent this Sale Order is materially inconsistent with any prior order or pleading with respect to the Motion in Debtor's Chapter 11 Case, the terms of this Order shall govern. To the extent there is material inconsistency between the terms of this Order and the terms of the APA (including all ancillary documents executed in connection therewith), the terms of this Sale Order shall govern.

17. Subsequent Orders and Plan Provisions. This Sale Order shall not be modified by any Chapter 11 plan confirmed in Debtor's Chapter 11 Case or any subsequent order of this Court.

18. Binding Effect of Sale Order. This Sale Order and the APA shall be binding in all respects upon the Debtor, its estate, and all parties in interest to Debtor's Chapter 11 Case, including, but not limited to, all creditors of, and holders of equity interests in, the Debtor, any holders of liens, claims, encumbrances, or other Interests in, against, or on, all or any portion of the Purchased Assets (whether known or unknown), the Purchaser, and all successors and assigns of the Purchaser, the Purchased Assets, and any trustees, examiners, "responsible persons," or other fiduciaries appointed in Debtor's Chapter 11 Case or Chapter 7 case, if converted, under the Bankruptcy Code. The APA shall not be subject to rejection or avoidance under any circumstances. If any order under § 1112 of the Bankruptcy Code is entered, such order shall provide (in accordance with §§ 105 and 349) that this Sale Order, including the rights

granted to the Purchaser hereunder, shall remain effective and, notwithstanding such dismissal, shall remain binding on parties in interest.

19. Failure to Specify Provisions. The failure specifically to include or make reference to any particular provisions of the APA or any related ancillary document in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the APA and all related ancillary documents are authorized and approved in their entirety.

20. Retention of Jurisdiction. The Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Sale Order, including, without limitation, the authority to: (i) interpret, implement, and enforce the terms and provisions of this Sale Order (including the exculpation, release, and injunctive provisions in this Sale Order) and the terms of the APA, all amendments thereto, and any waivers and consents thereunder; (ii) protect the Purchaser, or the Purchased Assets, from and against any Interests; (iii) compel delivery of all Purchased Assets to the Purchaser; (iv) compel the Debtor and the Purchaser to perform all of their respective obligations under the APA; and (v) resolve any disputes arising under or related to the APA or the Sale.

21. No Material Modifications. The APA and any related agreements, documents, or other instruments may be modified, amended, or supplemented through a written document signed by the parties thereto in accordance with the terms thereof without further order of the Court; provided, however, that any such modification, amendment, or supplement does not materially change the economic benefit to the Debtor.

22. Immediate Effect. This Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding any provision in the Bankruptcy Rules to the contrary, the

Court expressly finds there is no reason for delay in the implementation of this Sale Order and, accordingly: (i) the terms of this Sale Order shall be immediately effective and enforceable upon its entry; (ii) the Debtor are not subject to any stay in the implementation, enforcement, or realization of the relief granted in this Sale Order; and (iii) the Debtor may, in their discretion and without further delay, take any action and perform any act authorized under this Sale Order.

23. Provisions Non-Severable. The provisions of this Sale Order are non-severable and mutually dependent; provided, however the Purchaser may, in its sole discretion, waive any provision determined to be unenforceable in whole or in part.

24. The proceeds from the sale of the Purchased Assets (net only of those amounts set forth below) shall be paid indefeasibly into a segregated account of the Debtor (the “Sale Proceeds Account”) subject to further order of this Court and net only of the following amounts that the Debtors are authorized to pay at Closing:

a. To the DIP Lender, payment in full in cash of the DIP Facility including all DIP Obligations.

b. To holders of prior liens, if any, that are set forth and disclosed in the closing statements in the amount of the value of any prior liens in the Assets being sold that is agreed upon by the holder of the prior lien and the Debtor, subject to the written consent of the Lender, or, failing such agreement, such disputed amount shall be retained by the Debtors in the Sale Proceeds Accounts or escrow with the title company for determination by the Court of the extent, priority, validity, and/or value of such asserted prior lien.

25. Satisfaction of Conditions Precedent. Neither the Purchaser nor the Debtor shall have an obligation to close the Transactions until all conditions precedent in the APA to each of

their respective obligations to close the Transactions have been met, satisfied, or waived in accordance with the terms of the APA.
